### **About Blackstone Mortgage Trust**

Blackstone Mortgage Trust (NYSE: BXMT) is a real estate finance company that originates senior loans collateralized by commercial real estate in North America, Europe, and Australia. Our investment objective is to preserve and protect shareholder capital while producing attractive risk-adjusted returns primarily through dividends generated from current income from our loan portfolio. Our portfolio is composed primarily of loans secured by high-quality, institutional assets in major markets, sponsored by experienced, well-capitalized real estate investment owners and operators. These senior loans are capitalized by accessing a variety of financing options, depending on our view of the most prudent strategy available for each of our investments. We are externally managed by BXMT Advisors L.L.C., a subsidiary of Blackstone. Further information is available at [www.bxmt.com](http://www.bxmt.com).

### **About Blackstone**

Blackstone is the world's largest alternative asset manager. We seek to create positive economic impact and long-term value for our investors. We do this by relying on extraordinary people and flexible capital to help strengthen the companies we invest in. Our over \$1 trillion in assets under management include investment vehicles focused on private equity, real estate, public debt and equity, infrastructure, life sciences, growth equity, opportunistic, non-investment grade credit, real assets and secondary funds, all on a global basis.
